**EXPIRATION DATE: October 31, 2010**

The Bureau of Minority and Women Business Opportunities has reviewed your submission for certification. I am pleased to inform you that your company has been approved. This certification demonstrates the Commonwealth's recognition of your company as a Woman Business Enterprise.

Through the application process, you have presented documentation that your company is engaged in providing certain products and/or services. Information regarding these products and/or services for which you have been certified has been electronically listed for use by all Commonwealth agencies. Please note that obtaining certification is only the first step in pursuing state contracts. The next step is to use this certification as a tool when you market your goods or services to the Commonwealth's agencies and departments. For information on workshops explaining how to pursue state government contracts, please contact our Business Development Unit at 717-783-3119.

Your certification is valid until the expiration date noted in this letter. Ninety (90) days prior to the expiration of your certification, you should contact the bureau regarding the recertification process. If the ownership, management, or operational control changes during the certification period, you should immediately notify the bureau of the changes.

The Bureau of Minority and Women Business Opportunities reserves the right to periodically review the ownership, management and operational control to confirm the continued validity of the certification status, as conferred by the Commonwealth.

We look forward to assisting you in doing business with the Commonwealth of Pennsylvania.

Sincerely,  
*Kathryn Waters-Perez*
